

Data Set: Vocabulary Data from the U.S. General Social Surveys

Data File: Vocabulary.txt

Source: GSS Cumulative Datafile 1972-2004, downloaded from <http://sda.berkeley.edu/archive.htm>.

Variables:

id: Respondent ID number.

year: year of survey.

sex: Male or Female.

education: in years.

vocabulary: Vocabulary-test score, number of questions right out of 10.

Note: This data file, with fewer variables but more observations than Vocabulary-2.txt, is used in Sections 3.2, 3.3.4, and 12.4.1 of the text.
